# 55<sup>th</sup> Annual Top Ten Nomination Form

## The Process

The Top Ten Awards Selection Committee chooses winners based on information provided to them in these nominations. Therefore, providing adequate and complete information is critical to helping the nominee receive positive consideration. In addition to this form, the nomination should include a written portion totaling a minimum of 200 words.

## Your Nomination

Please complete this form AND use a separate sheet that details the reason for the nomination. Nominations are read by several judges, so please type or word process the nomination details. **You may only nominate someone for ONE CATEGORY. Duplicate nominations for the same person in more than one category by the same nominator will be ignored. Remember, it is quality, not quantity. This is not a popularity contest and winners are not chosen by the number of nominations they receive.**
